

# Muhammad Dilawar

## Background :

I am **Muhammad Dilawar** from the local area of Lodhran, Pakistan. I belong to an average family. I have completed (MCS) Master in Computer Science. After completion, I gained a lot of experience in education and computer fields. During my experience, I completed technical education at the E-ROZGAR center in Lodhran. I also completed the course MERN Stack from TICER.

## **Future Plans:**

After completing my full stack web development course, I try to get a job with relevant experience as much as possible.

Additionally, continuous learning about courses to achieve goals. In the future, I will try my best to get more experience and become a full-stack developer. I also try to avail opportunities near my hometown.
