

Rabia Kalsoom

background:

I am **Rabia kalsoom** from kotla Ali Dasti Tehsil & District Lodhran. My family always encourages me to learn and follow my dreams. In school and college, I loved subjects like English and science. I did my master's degree from the Islamia University of Bahawalpur in Computer science.

I'm excited to keep learning and growing in school and at work.

English.

Future Plans:

After completing my full-stack web development course, my immediate plan is to apply my newly acquired skills by building practical projects and expanding my portfolio.

I also want to teach this knowledge in my village school, and I will search for a remote job as a front-end developer.
